

Settings for Planetary Health & Well-Being

Adnec Centre Abu Dhabi, United Arab Emirates

13 - 16 May 2025

**25TH IUHPE
WORLD CONFERENCE
ON HEALTH PROMOTION**

One Week to Go...Submit your Abstracts!

All abstract submitters, including individual contributors, are encouraged to engage and collaborate with fellow presenters and participants whenever possible. Preference will be given to participatory, collaborative, and innovative session formats during the selection process.

Share your research, innovations, and insights at **25th IUHPE World Conference on Health Promotion**. Be part of the global conversation on health promotion by submitting your abstract today. Showcase your work to an international audience and contribute to shaping the future of health and well-being.

Settings for Health & Innovations

Health literate environments across schools, healthcare, and communities leverage digital transformation and precision health promotion tools.

Beyond Settings

Inclusive health equity for all ages, supported by policies, global-local networks, and health promotion financing.

Planetary Settings for Health Promotion

One Health promoting ecohealth, spirituality, global diplomacy, and community engagement for health emergencies and wellbeing.

SUBMIT ABSTRACT

The 25th IUHPE World Conference on Health Promotion is set to bring together global leaders, experts, and advocates in health promotion and education. We would be delighted to have you join us in shaping the future of public health.

Don't miss this opportunity—submit your abstract before 10 December 2024!
