

Put Your Full Poster Title Here: And Include Your Subtitle if You Have One

Author Name1, author2, author3, author4...

INTRO

Explain why your study matters in the fastest, way possible (feel free to add graphics (with alternative text)).

METHODS

1. How did you find this?
2. Collected [what] from [population]
3. How you tested it.

RESULTS

1. Graph/table with **essential results only**
2. All the other data (image)

Main finding goes here, translated into plain English. Emphasize the important words.
(feel free to add a focal graphic below)

Tips:

1. Keep **font size** as high above **28+** as possible.
2. Keep your summary tight. **Think** of it like “**abstract+**” with key figures only.
3. The **more content you add here**, the **more cognitive load** you add, and the more you’ll turn people off engaging.
4. *Less content = more readers.*
5. Now **delete this** text box. ☺
